

Let's Get You Ready for the Next Steps

It has been recommended that you wear compression garments. This will aid your healing process and reduce the risk of complications related to your condition. Compression Care wants to be your trusted partner on this journey!

Process Overview

1. Compression Care will verify your insurance benefits and report them to your therapist. We will also send you the benefits if we have your email address. You can email us at referrals@compressioncare.com to give us your email if you would like to facilitate this communication.
2. A Case Manager will review your therapist's order and provide a quote for your garments. This information will be sent to you and your lymphedema therapist.
3. Insurance regulations require us to have you sign a Financial Responsibility or Advanced Beneficiary Notice Form, which authorizes us to dispense your garments and file your insurance claim. The case manager will contact you to facilitate this process.

Here's What to Expect

1. One of our Case Managers will call and text using one of these area codes, 615 or 629. Please answer! ****Pro Tip - Add this to Your Contacts!****
2. You can call or text us at **615-583-2273** or email referrals@compressioncare.com. Please include your full name and DOB when calling or emailing.
3. If you have a deductible or a co-insurance amount owed, we will communicate this to you and send an invoice via email or text.

Phone Number & Email

Important Information About Your Insurance Claim

Our sister company, **Pretty in Pink Boutique**, processes all of our billing, so their name will be on the invoice sent to you. On your Credit Card Statement and your insurance EOB, this will show up as Some Other Company, Inc., doing business as Pretty in Pink Boutique. Please know these are the same entity as Compression Care.

We Are Honored to Serve You and Look Forward to Handling All Your Compression Garment Needs!
